Devon Communities Together and Climate change activities still on hold. Village skip cancelled permanently. To discuss in the new year whether private arrangements would be feasible, current charge for community skip is £1800pa plus disposal charges. Investigate if possible to collaborate with other TV villages. Action AC

Neighbourhood Watch: AC progressing with this. Discuss next meeting.
Broadband upgrade: SB to lead investigation into access to voucher scheme for the village

Relisting the Cridford as an asset of community value: AC to ask Diana to advise re. progress

4 .**Parking on the square** : PP asked if signs should be posted on the parking bays to help give priority parking to those who have no private parking space.

After discussion it was decided to take no action for the time being.

5. **Speeding on Teign Valley Rd** : A villager had queried the possibility of lowering the speed limit (40mph) on the Teign Valley road because of the number of cyclists and observed “near misses”. This had been raised at an AGM several years ago. AC had searched the minutes for the past 10 years, and could find no reference. PM said that a 40mph was introduced between Christow and Dunsford but grounds for this were unclear. It was thought that 30mph would be a more appropriate speed limit for the road and possibly caution signs re. cyclists. To investigate with Devon Highways. Action AC

6. **TVCH** : are requesting nominees for their committee and Trustees. AC to send invitation to village.

7. **Planning** : pollarding two eucalyptus trees at Orchard House. No objections.

8. **Events**: Hallowe'en: Suggestion to replace the usual door to door trick or treat with pumpkin carvings. AC to consult Diana Tingley. MC volunteered to assist.
