1799	01-Dec	Tucket	John	of Chudleigh

Affidavit: this refers to the **Burial in Woollen Acts 1666-80** which required burial in pure English woollen shrouds to protect the English woollen industry. Affidavits had to be sworn to confirm this had been done. Non-compliance meant a £5 fee. In 1863, the law was repealed, though it had been ignored in many areas since the later 18th century.
